OSTEOLOGY MONACO 2016

WEBSITE AND PROGRAMME ARE ONLINE!

We are excited to announce that today the website for the International Osteology Symposium 2016 in Monaco went online!

Discover the exciting programme under the motto **Learning the «WHY» and the «HOW» in Regenerative Therapy** with international top speakers, as well as all other important information concerning our Symposium.

► **Osteology Monaco online – check it out!**

The website will be updated continuously, and you will find the latest information there.

Through the website, and all other communication channels, such as E-mailings, Social Media and our Website, we will keep you always informed about updates and approaching deadlines.

Online registration on the Osteology Monaco website will open in October 2015.

ABOUT THE OSTEOLGY FOUNDATION

The Osteology Foundation's motto is „Linking Science with Practice in Regeneration“. The foundation was established in 2003 and its core activities include funding of research projects and organisation of national and international symposia throughout the world. In recent years, the Foundation has expanded its focus. Today, it also offers courses and textbooks specifically for researchers in the field of oral tissue regeneration.
