OSTEOLOGY RESEARCH ACADEMY GRANTS

Application Guidelines

Research Academy Grants entitle their recipients to cover the registration fees of the chosen **O**steology **R**esearch **A**cademy (ORA) course.

Awarded Research Academy Grants are only valid for the respective year of application and cannot be transferred to another year or course.

APPLICANT REQUIREMENTS:

- Academic affiliation
- Proficiency in English (spoken and written)

DOCUMENTS REQUIRED:

- Curriculum vitae and publication list – **maximum two pages**
- Graduation diploma – **maximum two pages**
- Recommendation letter – **one page**, Times New Roman 12pt, line spacing 1.2, on official letterhead
- Motivation letter – **one page**, Times New Roman 12pt, line spacing 1.2, maximum 350 words. Please clearly mention which of the ORA course you want to visit and motivate your choice.

AWARDING CRITERIA:

- Interest in oral tissue regeneration
- Interest and involvement in basic and/or clinical research (as evident from e.g. scientific posters, publications in peer reviewed journal, etc.)
- Recommendation letter
- Expected benefit for the applicant and their research career
- Financial needs will be taken into account

APPLICATION AND GRANTING PROCESS:

- Online submission through PropsalCentral (free registration required): https://proposalcentral.com/
- Documents must be in English and uploaded as single documents in PDF format
- **Application deadlines vary and depend on the ORA course of interest.** Check: https://osteology.org/en/research/funding-opportunities/research-academy-grants/
- Notifications of acceptance/rejection will be sent at least 6 weeks prior to the course

Please note: applicants are encouraged to carefully choose the most suitable ORA, and **apply only to one course at a time**.
