

IMPLANT SOLUTIONS WORLD SUMMIT

ATHENS 2023

Athens, Greece June 8-10, 2023

Where history, future
and science meet

Are you passionate about implant dentistry?

Are you committed to science, innovation
and education?

Do you want to provide your patients with
optimized treatment solutions?

Then join Dentsply Sirona, the world-leading expert
in implant dentistry, for an exclusive, state-of-the-art
congress in Athens, Greece, on June 8-10, 2023.

At Implant Solutions World Summit, you'll discover
cutting-edge science, the latest innovations in digital
dentistry, bone regeneration, and optimized implant
treatment solutions for your patients—and enjoy the
company of world-renowned speakers, colleagues
and friends from around the world.
